Meeting Minutes - April 15, 2018

In attendance: Brad Hjelm (Treasurer); Mike Hryszko; Jeff Acord (Vice President); Jim (Sargent of Arms) and Michelle (Secretary) Rogers; Stephanie and Fred Simmons; Terry Carpenter; Randy Keirn; Susan and Jeff Heun; Chris McGaugh; and Deb and Mike Morhardt.

Meeting was called to order at 7:01pm at Hardees on 10th Avenue South.

Bunco Event & 2019 Planning Meeting

We may not have actually played Bunco because we were having too much fun talking, but it was a great get together! Our 2019 planning meeting also went very well.

Skunkwagon Swap Meet

Randy paid for a booth at the swap meet, but he is unable to be there. He offered it to the club to use to promote our club and the Fords Forever Show. Stephanie and Fred have offered to man the booth, but anyone can help! Michelle will print some materials and may try to put together a brochure about our club. You can call Stephanie at 788-7419 or Fred at 868-3783 if you would like to help.

New Name?

Becoming non-profit is a great time to evaluate and freshen our club. With this in mind, we will be taking a vote on a new club name. The nominations, so far, are Electric City Fords & Mustangs or Treasure State Fords & Mustangs. We would love for others to submit their ideas before the May meeting by emailing the club at treasurestatemustangclubgf@gmail.com. The thought behind this is to include Ford in the name so it can be better known that we are not just Mustangs.
